

Can you roll ideas with soul?

We are hiring

INTERNS – 6 Months – 1 Year

StudioSWEN

Our design philosophy greatly leans on simple and neat aesthetics that encompasses practicality, functionality and trendiness, be it where we live, work, learn or play! With us on board, you have the license to dream, and we'll make sure to shape it up!!

Your Role

As a **SWEN** intern in our **Open Studio**, you will be working in a team environment. Your ability to translate an architect's doodle and documents into realized 2D/3D models will provide you an etch as a designer.

Also, as we say, you will be our **SWEN soldier** and will jump into different projects if need be, to help your army and the deadlines

Your day at Studio SWEN

- Produce graphic presentations, 3D renderings, and construction drawings
- Utilize hand rendering techniques to communicate design concepts

Computer Software Skills required:

- Proficiency in modeling using 2D/3D software, such as CAD, Revit, Sketchup – V Ray, 3ds MAX, Rhino utilizing V-Ray
- Proficient in Adobe Creative Suite (Illustrator, Photoshop, InDesign)
- Proficient in Microsoft Office focusing on Word, Excel and PowerPoint

Life@ studioSWEN

We aim at delivering unique designs in conjunction with the context and the needs of the client. An open studio which merely would seem like a close-knit family, with discussions ranging over various topics like the design developments in world, movies, songs, newest café shops in town and the soul santes. Our in house **Friday Happy Hours** will bring out the uniqueness in you.

NOTE: Only people who qualify the above criteria can apply
